

Canada Green Homes Grant Registration Guide

Grants and rebates come and go. Make sure you sign up now to access up to \$5,600 in grants for home upgrades!

How much can you access?

Canada Greener Homes Grant: Receive \$600 towards the total cost of a pre- AND post- retrofit evaluation and up to \$5,000 towards the cost of upgrades. **Note you must apply before you start your upgrades. Don't miss out!**

What will you need to apply:

- A pen and a paper nearby to write down your login information.
- Your contact information: name, telephone number, email address.
- Home Information: type of house, primary residence address.
- Proof of residence (i.e. Government-issued ID with the matching address, e.g. driver's license, passport)
- Proof of ownership (i.e. property tax bill number - found on municipal property documents).
- You must apply before you do your upgrades. Don't miss out.

Important documents to keep:

- When choosing upgrades, be sure they are [eligible products](#), and meet the Canadian product standards. We recommend saving a PDF of the eligible listing, or printing a copy to keep in your files.
- Keep receipts for the pre- and post-retrofit EnerGuide evaluation.
- Keep all receipts and invoices, marked **paid in full**, for products purchased and for installation costs until March 31, 2028.
- If applicable, keep grid-connected solar photovoltaic systems: a copy of the letter of approval or permission for interconnection issued by the local electrical or building authority.

Completed your Upgrades?

Make sure you completed your post-retrofit Home Evaluation and provide all applicable documentation to the program. You can upload digital copies through your Homeowner Portal application.

How to apply:

1. Start by checking your eligibility with this [Interactive eligibility tool](#).
2. Determine the [Energy Advisor](#) you are going to work with.
3. Through the Homeowner Portal on the [Canada Greener Homes](#) website, sign up following the prompts given after completing the eligibility tool.
4. Login using your new account information. After successfully creating an account, you will be prompted to **check your email** with a confirmation link. Click the link to continue. You will be redirected back to the Homeowner Portal. Click **continue** on the "Email Changed" window, then "**Finish Logging in**".
5. Log onto the Homeowner Portal and click **New Application** and complete the form. Once finished you will receive an email notification "Eligibility Confirmed by the Program" and Welcome email.
6. **Your Registration is complete!** To view your application: Click "My Applications" then the Application ID hyperlink. You'll be navigated to a page looking like the image below, and will provide an overview of your current application.

Canada Green Homes Loan Registration Guide

Sign up now to access up to \$40,000 in 0% interest loans for home upgrades as well!

How much can you access:

Canada Greener Homes Loan: Between \$5,000 and \$40,000 in 0% interest loans for your home upgrades.

To access the loan, you must:

- Have had your pre-retrofit EnerGuide evaluation.
- Have been approved for the Canada Greener Homes Grant.
- Have NOT started/completed any upgrades you plan to apply for.
- Have a good credit history and are not in:
 - o a consumer proposal
 - o an orderly payment of debt program
 - o a bankruptcy or equivalent insolvency proceeding
- Have registered for the Canada Greener Homes Grant Loan application is accessed through your homeowner portal.

What will you need to apply:

- Your pre-retrofit file number.
- Government issued photo identification (ID) with your address.
- Property tax bill or assessment.
- Quotes or estimates for ALL retrofits that you plan to complete. (**Retrofits that are not included in your loan application cannot be added later**). You do not need all quotes to initially apply for the loan, but you will need to submit them all at once.

IMPORTANT: You will have twelve (12) months, following the date of the loan agreement to complete the retrofits, obtain the results of the post-retrofit evaluation and request your final loan amount.

How to start your application:

- After selecting the button highlighted in the screenshot below on your [Canada Greener Homes Grant homeowner portal](#), read and accept the terms and conditions. Follow the prompts and once you have confirmed your details and selected your timezone, select "Continue."
- The application is now initiated and you will receive a loan application number by email confirming your participation in the loan program.
- Once you have decided on all the upgrades you are going to complete and have your chosen quotes/estimates, sign into the loan application portal and choose "**Request Funding**".
- You will receive an email confirming the final loan amount. **We recommend keeping the email confirming you have been approved for the loan.** It will include important information like the confirmation number.
